

DAY 1

Arriving at Kota Kinabalu Airport

try the local fresh durians, /Seafood Dinner /Kinabalu's nightlife

Privates islands hide many small joys in life. Everyone searches, loses, meets and gains during their travels. Here is a gift from heaven, open it and you will encounter unexpected emotions. Dolphin Island, one island, one hotel

During the day, you can snorkel endlessly by the seaside, drive motorboats, kayak, and enjoy self-service barbecue on paddleboards, kayaking, towing umbrellas, deep diving, and motorboats. At night, the enthusiasm here is like wildfire, and the indigenous people light bonfires. We pick up wine bottles and perform with them, cheering and daring.

(2pm to 5pm) Three sections of Afro on the beach

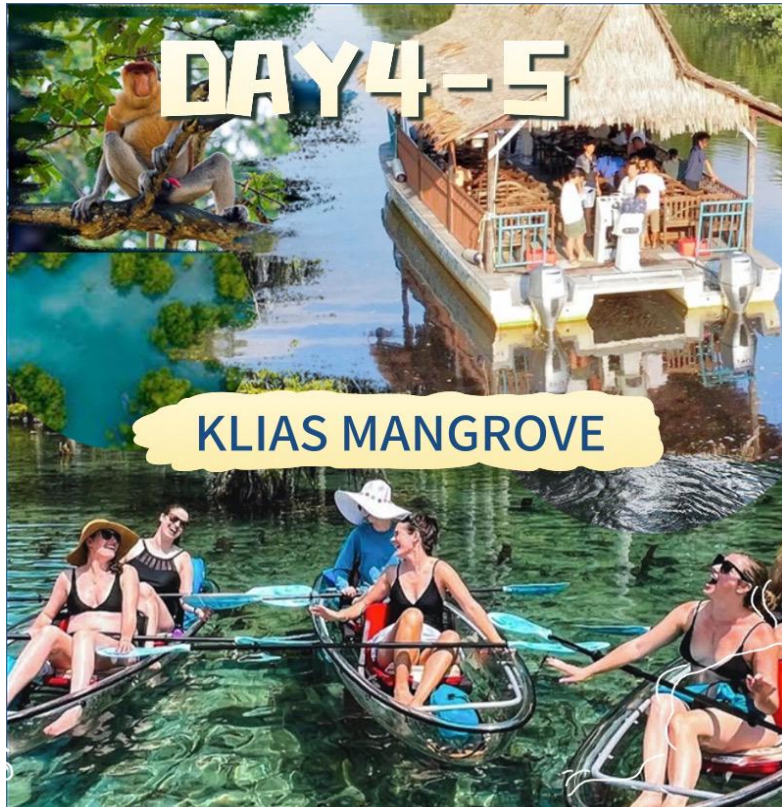

(8:30-14:30) Snorkeling+Dance Shooting

(15:00 Return to Dolphin Island) Dance shooting on the island
(interactive performance of African dance and Malay indigenous people in the evening)

10:30 to 12:30: Afro Class

1 pm : klias Mangrove Ecological Tour)
 Mangrove Cruise: Take a cruise deep into the klias mangrove forest, explore the mangrove ecosystem, and admire unique wildlife.

Observation of Long nosed Monkeys: There is a chance to observe rare animals such as long nosed monkeys up close.

Mangrove residential area (arriving in the city at around 21:00 in the evening)
 return trip on day 5
